

Course in Gaining Access to Training and Employment (GATE) (Introductory)

National ID: 52876WA | State ID:BGR16

Improve your chances of getting a job or doing further education today.

The course in Gaining Access to Training and Employment (GATE) (Introductory) is a bridging/preparatory course enabling learners to extend their general education, prior to entering a range of vocational training programs, employment or community participation.

Students enrol in either the Introductory GATE course, or the general GATE course, depending upon their individual skill levels prior to commencing. The way the course is delivered depends on the needs of the student. This introductory course allows you to extend your knowledge and skills in communication, numeracy, technology, study skills and personal development.

You will develop skills in;

- Communicating effectively
- Applying maths to everyday tasks
- Operating a computer
- Participating in your community
- Applying study techniques
- Improving your confidence, setting goals
- Managing your personal growth and raising your self-esteem.

Your qualification prepares you for roles such as:

Further Study Option(s)

Certificate I in General Education for Adults

Certificate II in General Education for Adults
