

Certificate IV in Massage Therapy

National ID: HLT42021 | State ID: BIP4

Gain the skills to help people relax

Students learn the major muscles of the body, how to analyse posture, and understand common health conditions, as well as understanding legal and ethical requirements in the health industry.

This qualification reflects the role of massage therapists who provide general health maintenance treatments. It does not reflect the role of a remedial massage therapist. Practitioners may be self-employed or work within a larger health service. Students learn the major muscles of the body, how to analyse posture, and understand common health conditions, as well as understanding legal and ethical requirements in the health industry.

Your qualification prepares you for roles such as:
