

# Certificate II in Automotive Body Repair Technology (Vehicle Body Painting Pre-Apprenticeship)

National ID: AUR20920 | State ID:AC36

**Are you revved up for a career in giving cars their shine?**

When you complete the Certificate II in Automotive Body Repair Technology (Vehicle Body Painting Pre-Apprenticeship) you'll have what employers are looking for in an apprentice auto body repairer/painter.

**Gain these skills**

- prepare vehicle panels for painting
- removing and repairing panels
- environmental regulations
- workplace safety and health

South Metropolitan TAFE is the only TAFE in WA offering this qualification.

**Learn in specialised facilities**

South Metropolitan TAFE's Carlisle Campus is WA's major centre for automotive and panel beating studies. Automotive apprentices and pre-apprentices enjoy state of the art facilities, including new vehicles, specialised repair and diagnostic equipment, fully equipped spray painting ovens, specialised workrooms and workshops. This excellent training program is highly competitive.

**Your qualification prepares you for roles such as:**

Vehicle painter

Further Study Option(s)

Certificate III in Automotive Body Repair Technology

Certificate III in Automotive Refinishing Technology

Certificate III in Surface Preparation and Coating Application
