

Diploma of Music (Sound Production)

National ID: CUA50820 | State ID:AC74

Get ready to pursue an exciting career in sound production in the WA music industry

Advance your music skills with this course. You'll learn about current music industry practices in the areas of studio recording and maintenance, live sound, music production, music arrangement, music technology and repairing/maintaining equipment and have the **ability to set up your own studio**.

By studying music at North Metropolitan TAFE you'll **benefit from the best facilities and musical heritage in Western Australia**. Since 1996 our music graduates have gone on to form bands such as Birds of Tokyo and work with bands such as Gyroscope, Karnivool and Eskimo Joe.

North Metro's focus on **industry relevancy** means **practical course content geared towards getting you a career**. You'll learn from our industry experienced lecturers and have an opportunity to **network with real professionals** who could increase your chances of employment during or after study.
