

Diploma of Screen and Media (Broadcast Radio and Podcasting)

National ID: CUA51020 | State ID:AC76

Get the skills you need to start in the radio industry

Radio is an **exciting, dynamic industry, filled with passionate, articulate people**. This course will give you the skills to produce or present your own radio show or podcast, entertaining and informing people and becoming apart of their daily lives.

You will develop a **wide skill set in all aspects of the radio industry**, from presenting on live radio and digital mediums, to working behind the scenes in audio production and event management. You will take part in building a radio station from scratch, and be given **opportunities to present on our campus radio station, BOOM Radio**, helping you to develop industry networks and practical experience.

Your qualification prepares you for roles such as:

Radio Presenter | Announcer

Other job titles may include:

- Radio Station Manager
- Assistant Producer
- Radio Promotions | Tactics Coordinator
- Assistant Music Director
- Radio News Journalist
- Social Media Assistant
- Production Assistant
