

Diploma of Visual Arts (Product Design)

National ID: CUA51120 | State ID:AC96

Take your product design skills to the next level

The Diploma of Visual Arts (Product Design) will **develop your design skills** and knowledge through **hands on projects** that require you to take your ideas all the way from **concept to prototype**. It is taught in our extensive purpose-built facilities and **specialised studios based in the creative and cultural heart of the city** that is home to the Art Gallery of WA, PICA and many other smaller galleries.

This course offers a diverse exploration of the **3D design** industry where you will have the opportunity to create consumer products such as furniture, home wares, commercial objects and wearable object design.

Successfully complete the Diploma and you could find yourself designing high end furniture, or products for the home or commercial use.
