

Certificate III in Floristry

National ID: SFL30115 | State ID:AWP2

Are you ready for your career to bloom?

Do you have **creative flair** and an eye for **detail**? This **floristry** qualification will set you on the path to becoming a '**budding**' leader in **floral design work**.

We teach you more than just about the **flowers**, once you have mastered the basic **commercial** skills, we show you how to execute **custom-made**, **cutting-edge**, large and small scale **design briefs**.

Our lecturers have a wealth of **industry experience**, a **passion for flowers** and offer a supportive training environment for you to gain a **National Qualification**, and expose you to the exciting industry of **professional floristry**.

Some of the skills you'll learn in Certificate III in Floristry include:

- **Designing, constructing** and selling a diverse range of floristry products.
- Developing practical construction and **technique** skills
- A comprehensive knowledge of the key tools for **floral design** and the elements and principles.
- Working in a **live environment** to develop your speed of construction.

Murdoch has new, specialised facilities dedicated to creative art and design.

Your qualification prepares you for roles such as:

Florist
