

Certificate IV in Visual Arts

National ID: CUA41315 | State ID:AZO2

Add to your palette of visual arts and crafts skills in the cultural heart of the city

This course will give you an **immersive visual arts experience**, where you'll be able to **explore a variety of mediums** including painting, drawing, sculpture, ceramics, printmaking and digital art. Plus you'll gain skills in contextual studies and safety and sustainability in the visual arts.

The Certificate IV in Visual Arts will further develop your practical skills and knowledge enabling you to create original artworks in a range of areas including painting, printmaking, drawing, sculpture, 2D and 3D design and textile art. Your skills will be developed through direct investigation and experimentation of techniques and materials. You will learn and apply art terms and incorporate a critical approach to the production and presentation of your artwork. You will undertake research and critical analysis of culture and history to inform your arts practice, as well as focus on your personal development, and professional practice in arts business in preparation for the arts industry.

Your qualification prepares you for roles such as:

Freelance Artist, Craftsperson, Visual Artist, Ceramic Artist and Studio Artist.

Further Study Option(s)

Diploma of Visual Arts

Advanced Diploma of Visual Arts
