

Certificate II in Horticulture

National ID: AHC20416 | State ID: BDE6

Are you looking for a career among the trees?

If you are passionate about the environment and sustainable practices, launch your horticulture career by completing this entry-level qualification. Horticulture is one of the fastest growing industries in Australia with the sector playing an important role in delivering economic, social and environmental value. This qualification will allow you to work in a gardening, nursery and landscaping setting. You'll gain the basic skills and knowledge required to work in the horticultural industry as well as WHS.

Gain these skills

- plant identification and care
- improving soil conditions
- operating machinery and equipment
- propagating
- pruning and fertilising
- maintaining gardens and nurseries, and
- workplace safety and health.

Your qualification prepares you for roles such as:

Landscape Worker | Horticulture Assistant | Horticultural Nursery Assistant | Nursery Hand (Horticulture)

Further Study Option(s)

Certificate III in Horticulture

Certificate III in Production Nursery

Certificate IV in Horticulture

Diploma of Horticulture
