

Certificate IV in Sport Development

National ID: SIS40419 | State ID:BEU6

Get a head start in the sporting industry

This Certificate IV in Sport Development will give you the skills to get ahead and take advantage of the varied **opportunities in the sporting industry** in Australia. You'll cover topics such as; teamwork and leadership; **planning and delivering sport and recreation programs; using sport technology**; event management; risk management; **exercise science**; managing volunteers and working with stakeholders. You'll be equipped to **fulfil your clients' sporting objectives** and work effectively within a sporting organisation.

During the course of your studies you'll have access to the **live works gym facility** at our Northbridge campus and have the opportunity to gain learning support to improve study, literacy or numeracy skills.

Gain these skills

- developing knowledge of sport technology used in the industry
- work effectively within a team environment or autonomously in an organisational structure
- the ability to conduct and coordinate sporting activities for others
- understand how to incorporate exercise science principles into fitness instruction and programming
- responsibility for coordination and supervision of volunteers in variety of roles
- ability to plan, setup, conduct and monitor an event

Your qualification prepares you for roles such as:

Sport Development Officer, Development officer, Coordinator for Programs & Competitions, Volunteer coordinator, Events coordinator, Talent Development Coordinator, Administrator within sport clubs or organisations

Further Study Option(s)

You can continue your studies in a Diploma course or apply for entry into a Bachelor degree at university.
