

Diploma of Project Management

National ID: BSB50820 | State ID: BFT0

All businesses need project managers

This course builds on the skills gained in the Certificate IV in Project Management Practice. It will give you the essential skills and knowledge of **current project management practices**.

The Diploma allows you to expand and extend your already existing management skills with units that will teach you an understanding of **management in many fields**. Completing this qualification will help you in a career as a **contract coordinator, project manager, quality administrator** or **risk management professional**.

Gain these skills

- Apply scope management
- Managing people
- Managing operational plans
- Time management techniques
- Project costs and budgets
- Risk management
- Information and communication techniques
- Quality management

Your qualification prepares you for roles such as:

Contract, Program and Project Administrator

Further Study Option(s)

Completion of the Diploma of Project Management opens up a range of further study options and it may provide advanced standing towards a university degree.
