

# Certificate IV in Preparation for Health and Nursing Studies

National ID: 52895WA | State ID: BGS66

Are you interested in a career in health but don't know where to start?

The Certificate IV in Preparation for Health and Nursing Studies will give you a **sound knowledge about the human body and health**, as well as the **study skills to support your further learning**.

This course will help you meet the requirements for entry into a number of higher-level health related courses, such as Diploma of Nursing at TAFE or nursing or health degrees at university. It is a great stepping stone between a Certificate III health qualification, and these courses.

- Gain a broader knowledge of sciences relating to health
- Interpret and apply medical terminology appropriately
- Provide information on human anatomy and physiology
- Provide information on the fundamental principles of microbiology used in health settings
- Use mathematics in a nursing and health context

Your qualification prepares you for roles such as:

Further Study Option(s)

- Diploma of Nursing

Further study pathways may include:

- Other Diploma level courses
- Bachelor of Nursing or other health-related degrees at university
