

Diploma of Beauty Therapy

National ID: SHB50121 | State ID: BHK0

Are you ready to make the world beautiful?

If you are passionate about the beauty industry and would like to obtain the most comprehensive, internationally recognised qualification available this course could be the perfect one for you! Do you have an interest in the science of skincare and a creative flair for style and all things beauty? This advanced qualification will give you job ready skills to pursue your dream career as a beauty therapist or a beauty salon owner.

You will gain the skills to **start up your own business** and to **work in industry**. You'll also learn the essentials of **small business promotion** to be successful in a very competitive market. Once qualified you could find yourself working at a day spa or salon.

You'll be guided and supported by our team of expert lecturers who are industry professionals, as you learn the complete range of face and body treatments as well as specialised skin treatments.

Gain these skills

- microdermabrasion
- specialised skin peels with Medik8 and Dermalogica
- IPL and laser safety protocols (laser safety Officer Certificate)
- facials and specialised facials
- body massage and aromatherapy massage
- body treatments
- waxing
- lash and brow treatments
- aromatherapy
- spray tanning
- lash extensions
- skills in retail and sales operations
- reflexology
- Indian head massage
- hot stone massage
- infection control and safe hygiene
- blending and application of aromatherapy oils

Your qualification prepares you for roles such as:

Senior Beauty Therapist | Beauty Salon Manager | Salon Therapist | Day Spa Therapist | Massage Therapist | Sales Representative (retail skin-care and cosmetic products) | Beauty Salon Owner | Small Business Owner | Industry Educator or Trainer

Further Study Option(s)
