Certificate IV in Beauty Therapy

National ID: SHB40121 | State ID:BHK1

Does your talent lie in bringing radiance, relaxation and joy to others through the art of a beauty treatment? If you have a career dream to become a beauty therapist, this course will give you job ready skills to work at a day spa, a beauty salon, a resort or even on a cruise ship or in your own home salon.

Be guided by our professional and passionate team of lecturers who are experienced industry specialists. You'll learn how to provide a range of beauty treatments, including facials and specialised facials for glowing skin, as well as body massage and aromatherapy massage for ultimate relaxation. Develop your manicure and pedicure skills, gain skills in popular services such as waxing, lash and brow tinting and lifting, spray tans, eyelash extensions and professional make-up application.

Grow an understanding of retail operations for the beauty industry and establish a customer service skillset, learning how to create a positive client experience and leave a lasting impression. Your skills will allow you to perform treatments independently and you'll be trained in coordinating or managing the services within a beauty salon or a department within a larger store.
