

Certificate I in Gaining Access to Training and Employment (GATE)

National ID: 52769WA | State ID:YU01

The course in Gaining Access to Training and Employment (GATE) is a bridging/preparatory course enabling learners to extend their general education, prior to entering a range of vocational training programs, employment or community participation.

Students enrol in either the Introductory GATE course, or the general GATE course, depending upon their individual skill levels prior to commencing. The way the course is delivered depends on the needs of the student.

This course gives you the chance to improve your knowledge and employability skills. You will develop skills in: building career learning and personal management skills, improving your communication skills, improving your maths skills, developing your skills in using technology for communication and improving your study skills for further education.

Your qualification prepares you for roles such as:

Graduates of Certificate I in GATE have successfully progressed into vocational fields including Community Services, Business, Information Technology and the Public Sector.

Further Study Option(s)
