

52725WA Diploma of Civil and Structural Engineering

National ID: 52725WA | State ID:3746

Opportunities for strong career growth

You'll gain the skills you need to **begin or advance** your career in civil engineering with this Diploma course.

This course is aimed at school leavers, graduates of the Certificate III in Engineering - Technical, those wishing to gain employment in the field of Civil and Structural Engineering, and as trainee drafters.

You will be taught **engineering drafting standards AS1100** and **gain exposure to CAD packages** selected from AutoCAD, Revit and 12D.

Students will be introduced to sustainability principles and produce civil construction drawings as part of their assessment.

Gain these skills

- Work with steel structures
- Work with concrete structures
- Design principles of bulk earth works
- Plan civil works

Your qualification prepares you for roles such as:

Civil Engineering Draftsperson | Civil Engineering Technician | Civil Engineering Design Draftsperson | Road Design Draftsperson | Structural Engineering Drafting Officer

Further Study Option(s)

Advanced Diploma of Civil and Structural Engineering
