

AUR20416 Certificate II in Automotive Electrical Technology (Automotive Electrical Pre- apprenticeship)

National ID: AUR20416 | State ID:AB03

Ignite your automotive electrical career

Complete this pre-apprenticeship and you'll have what employers are looking for in an **apprentice automotive electrical technician**.

Many employers prefer apprenticeship applicants to have completed a pre-apprenticeship — this course will give you the skills and knowledge to **make you more competitive** and give you a flying start in learning a trade. Plus our **strong links to the automotive industry** may also help!

Enjoy **quality facilities** including **modern vehicles, specialised diagnostic equipment**, and fully equipped classrooms and workshops.

Please note that entry into this course is competitive.

Your qualification prepares you for roles such as:

Automotive Electrical Trainee / Assistant

Automotive Electrical Component Installer | Accessory Fitter

Further Study Option(s)

Certificate III in Automotive Electrical Technology, Automotive Air Conditioning Skill Set

VET Student Loans

VET Student Loans is the new program that replaces the current VET FEE HELP scheme.

Eligible students will be entitled to apply for a VET Student Loan. Comprehensive information on VET Student Loans can be found on the Australian Government website education.gov.au/vet-student-loans

International students

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students.

International students can only study full-time.

For information on international student fees and application, please follow this link to the TAFE International WA website www.tafeinternational.wa.edu.au
