

CUA60715 Advanced Diploma of Visual Arts

National ID: CUA60715 | State ID:AZL6

Visual artists work within and across many mediums, and their practice may incorporate ceramics, digital art, glasswork, drawing and illustration, jewellery making, painting, photomedia, printmaking, public art, sculpture, textiles or wood design. Visual artists may work in their own practice, or a wide range of contexts across the arts, government or commercial organisations and also bring visual arts perspective to areas such as business, community services and science.

Your qualification prepares you for roles such as:

Further Study Option(s) Upon successful completion of CUA60715 Advanced Diploma of Visual Arts the student can gain direct entry to individual arts practice at a professional level or direct entry into the Visual Art Degree program at Edith Cowan University. The student is able to apply for advanced standing on the Degree program. [Apply now](#)
